Hello!

We hope that you have all had a lovely summer and enjoyed the warm sunny weather.

At club we have had an amazing and busy summer, enjoying days both in the club room and out and about on the Island. The children loved baking their own delicious cupcakes and designing and creating pebble art with pens and gems which they then coated in varnish so they looked amazing. They danced the day away with songs from Just Dance, zoomed around the playground on the scooters and searched high and low on the nature scavenger hunt around the school field.

We also had many other activities to keep the children entertained but just too many to mention!

We also visited the many different play parks around the island including Puckpool, Newport and Sandown. We have been to different beaches and on these have searched for fossils, tried our hands at rock pooling and had fun building sandcastle creations.

We have included some photos of our summer so you can see the fun we have had!

At holiday club we are very lucky to have a number of children join us from other schools around the island along with children from Cowes Primary and Blackberry Lane. This is a wonderful opportunity for the children to make new friends and have lots of fun together.

We are now thinking of activities for October Half term. If your children have any ideas or they would like to join us for a day or two please pop into the club room to speak to a member of our friendly team.

We are here to help.

We hope your children are enjoying being back at school and we look forward to seeing them in club soon.

Janet, Tracy and the Team
