Hello All,

Welcome to our first newsletter of 2018!

Although the weather outside is cold and damp, Club Cool is, as always, very warm and welcoming! We have lots of games and activities to keep the children all amused, so have you thought about letting your children come and join us?

With February half term nearly upon us, we wanted to remind you that we still have spaces available but our trip days are booking up fast. We have 3 days out planned which include trips to the beach and play park and these are included at no extra cost to our daily rate. We are a very friendly club and our aim is for the children to have lots of fun with children from both our school and other schools on the island in a safe and secure environment. Our rates are very competitive compared with other clubs in the surrounding area and we are open from 8am until 5pm each day. So why not give us a try? We are sure you and your children will be delighted with the service we provide.

We hope to see you soon,
Janet, Tracy and the Club Cool team

Toy Donations

Do you have any good quality toys that your children no longer play with or have grown out of? We would greatly appreciate any donations.
