

JANUARY 2025

Welcome to Crew Club 2025!

The Crew Club team would like to wish all our parents and carers and of course, our wonderful children, a very happy New Year!

It has been lovely to have the children back after the Christmas holidays and we have all enjoyed sharing our Christmas stories. We certainly have very lucky children and staff, who enjoyed the special time with their families as well as receiving many wonderful gifts.

Since the beginning of the new school year we have managed to be outside having fun, much more than usual for this time of year. The older children particularly enjoy honing their basketball and football skills. The younger children are also getting plenty of fresh air whilst using their imaginations to play. All the children have been very good at entertaining each other on the colder or wetter days when it is best to be inside.

Inside play has included the children working together to build a tall and stable Lego structure, as well as Lego cars and boats. They have enjoyed getting the hot wheels tracks out and designing wonderful road ways and courses. There has also been a lot of colouring going on, with food themed prints seemingly a favourite at the moment.

During the February half term holidays we are hoping to open for two days of fun activities. Although the flyer advertises certain activities, we are child lead and the children choose what they would like to do. Some are happy to free play all day and some like the more structured activities. The children are pretty good at trying new things and usually have a go at anything to support their friends. We really hope that we get enough bookings to open as the staff enjoy holiday club as much as the children!

Our activity suggestion for the February holiday club is for the children to do some art of their choice. We would therefore like them to come with ideas, although we don't mind creativity on the spot as long as we can find the resources! We will also be keeping our minds and bodies healthy with a bit of yoga and some dance fun. After the dance, we will settle down to some card and board games, which include, Dobble, Top Trumps, Ludo and Snakes and Ladders.

Please request a flyer from Crew Club or the school office.

The closing date for booking is the 31st of January 2025.

REMINDER

Please remember all fees must now be paid for in advance.

We are always delighted to welcome new children to Crew Club. If you would like further details please collect a registration pack from the school office or phone either 07511 709744 or 01983 293261, we are always happy to help.
