

COWES PRIMARY SCHOOL

SCHOOL SPORTS PREMIUM FUNDING

July 2020

School Sports Premium Funding

Background:

In April 2013 the Government announced new funding of 150 million for Physical Education (PE) and Sport often referred to as a Sport Premium. This funding is to be used to improve the quality and breadth of PE and Sport provision within school to encourage the development of healthy and active lifestyles.

In early 2019 it was confirmed that schools would again receive a sports premium. For the Academic Year 2019/20 the PE Grant for our school was £18,476 with an additional carry forward of £3,440.55.

July 2020 – update:

As always, the main drive behind the spending of the Sports Premium Grant at Cowes Primary School has been the development of sport and physical activity for all pupils regardless of their sporting ability.

The school's vision for PE and physical activity is to develop a positive attitude towards a healthy lifestyle that extends beyond childhood. In order to achieve this we offer a fun and extensive range of activities, including: basketball, netball, football, athletics, table tennis, archery, swimming, sitting volleyball/curling, tag rugby, dance and wake up shake up. We also run a Young Leaders programme for our Year 5 and 5 pupils who assist in the delivery of house competitions, and run lunch time activities for our pupils.

Inter-school competitions also feature in our school sporting calendar including traditional sports such as football, tag rugby, netball and cross country and festivals to ensure all pupils in Key Stage 2 have the opportunity to compete at the appropriate level. We also have termly inter-house which end with our Key Stage 1 and Key Stage 2 Sports Days, however due to COVID 19 we were unable to hold the 2020 Sports Day events.

Throughout our mission to improve the health and wellbeing of pupils through physical activity we provide alternative opportunities such as sailing taster sessions an exciting and local opportunity for our young people to be part of their own towns internationally renowned sailing academy at UKSA.

Our Quest Programme, an inclusive weekly set of challenging and supportive activities that build confidence and self-esteem through a diverse range of activities from archery to dance.

Action Plan and Budget Tracking:

Academic Year: 2019/20	Total fund allocated: £18,476	Date updated: July 2020		
Key indicator 1: The engagement of all pupils in regular physical activity				% of total allocation
Intent	Implementation	Impact	Funding allocated:	
To continue to provide greater extra-curricular sporting opportunities for all pupils	<ul style="list-style-type: none"> A wider use of coaches will be acquired to inspire all of our children to undertake before, lunchtime and after school sport More children will participate in competitive and non-competitive physical activity.
