10<sup>th</sup> November 2021

Dear Parents/Carers,

As we are approaching Christmas I have been thinking about how we can further support our local community, especially our older generation.

Home Instead have been in contact again have asked if we would like to support them this year with their 'Be a Santa to a Senior' project.

I am sure that you will agree that this was a really worthwhile cause. We know from the feedback that we had last year that we made a big difference to the older people in our community who are often isolated and alone.

The project is asking for either chocolates or biscuits donations, which will need to be wrapped at home with a label describing what the gift is so that Home Instead can distribute them appropriately.

We will be working in partnership with Home Instead. Mrs Thomas will be promoting and supporting the project across the school.

We will let you have more information as soon as we can, but in the meantime I would like to take this opportunity to once again thank you for your support and ongoing generosity.

Yours sincerely

Headteacher
