3rd May 2022

Dear Parents and Carers,

International Day

We are pleased to announce that we will be hosting another International Day for the whole school on Thursday 16th June.

The aim of the day will be to celebrate a range of different countries, cultures and traditions from around the world.

We will do this by providing children with an opportunity to explore and share information about their own heritage and encourage an understanding and appreciation for global diversity as well as the diversity that exists within their own school and community.

During the International Day, children will have opportunities to engage in art, music, dance, cooking, food tasting and games from other countries.

We are looking for parent volunteers to help us make this a terrific and memorable event for our children. Our aim is to run a range of themed stalls related to different countries/cultures. This could be a great opportunity for you to promote your nation and what makes it famous for example: traditional foods (**no nuts**), traditional costumes or maybe a display of traditional crafts. The stalls will be set up outside (weather permitting) from 1.15pm. The stalls will be open to parents and children from 2.00 pm on Thursday 16th June. If you are able to help us with this please come and speak to the office.

The successes of previous International Days have shown that with your help and support, we can make these days for your children to remember.

Yours Sincerely,

Mrs Praetig
Headteacher
